'vv
consent to receive dental treatment from Care Soft Dental during COVID-19 outbreak.
I understand there is much to learn about the newly emerged COVID-19, including how it is
spread and is transmitted.
I understand that, based on what is currently known about COVID-19, the spread is thought to
occur mostly from person-to-person via respiratory droplets during close contact. I understand
that close contact can occur from being within approximately 6 feet of someone with COVID-19
for a period of time, or by having direct contact with infectious secretion from someone with
COVID-19.
I understand that carriers of COVID-19 may not show symptoms but may still be highly contagious.
I understand that due to the unknowns of this virus; the number of other patients that have been
in the Practice; and the nature of the procedures performed here; that I have an increased risk of
contracting the virus by being in, and by receiving treatment at the Practice.
I understand that even with the Practice following all the CDC and ADA guidelines for infection
control of COVID-19 in providing dental treatment, that I am still at risk for possible
infection with receiving such treatment at the Practice at this time(Initial)
I understand that the treatment I am receiving may be due to an underlying infection,
pain, or condition that limits my normal day-to-day activities. I confirm I am seeking treatment for a
condition that meets thesecriteria(Initial)
I understand that dental procedures have the potential to include aerosol-generating procedures
as well as anticipated splashes and sprays which are some of the ways that COVID-19 can be spread
I understand that symptoms listed below are representative of COVID-19:
- Fever
- Dry Cough

- Shortness of Breath
- Temperature
- Persistent pain or pressure in the chest
- Bluish lips or face
I confirm that I and those who live with me have not displayed, or currently have, any of the symptoms
that are representative of COVID-19, which are outlined above(Initial)
I confirm that, to the best of my knowledge, in the past 14 days I have not come into close contact with an individual diagnosed with COVID-19 in the past 14 days(Initial)
I understand that all those that have traveled from a country or region with widespread ongoing transmission should stay home for 14 days to practice social distancing and monitor their health after their arrival.
I confirm that I, and those who live with me, have not returned in the last 14 days from traveling to any of the countries or regions with widespread ongoing transmission, including all European countries, China, Korea, and Latin America(Initial)
